May this Festival of Lights be a Festival of Joy for You!

November 9, 2020

Dear Parents,

Trust you all are in good health and dealing with the various stages of Unlock safely.

The first term of the academic year 2020-21 is successfully coming to an end. This has indeed been an enlightening and enriching session where the entire Balmohan Parivaar came together to create a stimulating and productive learning environment for our Students despite the challenges brought forth by the prevailing pandemic. We, as a family will continue our collaborative efforts to ensure our Students' education remains unhindered, whatever the circumstance.

Diwali is one of the most awaited festivals – it is especially significant this year as this brings the light of hope amidst the uncertainty all around.

The message, “Victory of Light over Darkness, Good over Evil, and Knowledge over Ignorance” cannot have more consonance to our lives than now. Just as every other year, do light lamps, create beautiful rangolis, dress in your festive clothing and celebrate the Festival of Lights, but do it all keeping your own safety and that of your loved ones in mind. While Covid-19 has changed the way we celebrate, what remains constant and true is the celebration of life, its enjoyment and goodness.

Let us also spend this time to unwind and rejuvenate – we will take a break from our Virtual Classrooms starting November 12, 2020 (Thursday). Online classes will resume from November 23, 2020 (Monday).

Balmohan Parivaar Wishes You All A Very Happy and Prosperous Diwali !!!!

Thanking you
